

NOTE TO PROGRAMMERS:

- An ORYX Vendor may have its own case identifier. We are not requesting that ORYX Vendors change their internal processes; rather, this tracking identifier is needed for transmission of the hospital clinical data to The Joint Commission.
- Since The Joint Commission is not receiving the Health Care Organization Identifier in the hospital clinical data, this tracking identifier identifies both the patient and the hospital. A tracking identifier cannot be reused for multiple hospitals.

Additional Notes:

Guidelines for Abstraction:

Inclusion	Exclusion
None	None
